NEED FIREWOOD? JOIN THE WOOD CUTTERS LIST

Parks and Recreation trimming trees; call today to become eligible

MUSCATINE, Iowa – The Parks and Recreation Department is trimming trees throughout the City of Muscatine Parks system and will have some logs available that are suitable for firewood. A system has been developed so that citizens who reside within the Muscatine city limits will be allowed to pick up the wood on a first come first serve basis.

However, in order to be eligible to pick up the wood residents will need to place their name on a call list that is being populated by the Park Maintenance Division. To place your name on the call list please contact the Parks and Recreation Department's Park Maintenance Office at [563-263-5464](tel:563-263-5464). If you are unable to reach someone, please leave a message stating your name, address, and phone number. Once it is your turn, and wood is available, you will receive a phone call letting you know when and where you may pick up the wood.

For additional information, contact the Muscatine Parks and Recreation Department at (563) 263-0241.
