**FOR IMMEDIATE RELEASE
FEBRUARY 23, 2024**

LANE RESTRICTION ON STEWART ROAD NEXT WEEK

MUSCATINE, Iowa – Lane restrictions will be in place starting Monday, Feb. 26, in the 1700-1800 block of Stewart Road., for a water service disconnect according to the Muscatine Department of Public Works.

This road work will require a one lane closure to be able to complete the work. Portable traffic lights will be in place on Stewart Road at both ends of the work zone while Hometown Plumbing completes the work.

DPW indicated that the traffic disruption will potentially last until March 1, depending on the weather.

Please plan for traffic delays and use an alternate route if possible.
