**FOR IMMEDIATE RELEASE**  
**JUNE 17, 2024**

## **CEDAR STREET DETOUR ROUTE IS MODIFIED**

9th Street temporarily changed to allow for summer school drop-offs, pickup

**MUSCATINE, Iowa** – Cedar Street is now closed to through traffic from East 8th Street to Fulliam Avenue for the previously scheduled underground and pavement restoration work as part of the West Hill Sanitary and Storm Sewer Separation Project.

Cedar Street is now closed to all traffic from the intersection with East 8th Street to just past the East 9th Street intersection. In addition, East 9th Street will be closed at the approach to Cedar Street, and East 9th Street will be temporarily modified to be a two-way street for summer school drops offs and pickups.

Parents and/or care givers will be permitted to turn west onto East 9th Street from the Mulberry intersection for dropping off students to summer school, and then make a loop through the school parking lot and exit back out East 9th Street toward Mulberry Avenue.

## CITY OF MUSCATINE PRESS RELEASE

---

Cedar Street will be closed at Fulliam Avenue with only residents living on Cedar Street up to the East 9th Street closure or on East 10th Street between Cedar and Sycamore allowed past the Fulliam intersection.

Northbound Cedar Street traffic will be detoured to East 8th Street to Mulberry Avenue to Parham Street and back to Cedar Street. Southbound will be detoured onto Parham to Mulberry, to East 8th, and back to Cedar. A no left turn sign will be placed on Parham.

Underground work and pavement restoration is tentatively scheduled to be completed August 21, weather permitting.

### **ADDITIONAL IOWA AVENUE CLOSURE UPCOMING**

Iowa Avenue will be closed to all traffic from 10th Street to Fulliam Avenue this week as work on Phase 6C of the West Hill Sanitary and Storm Sewer Separation Project continues. Residents living on Iowa Avenue from Fulliam Avenue to East 11th Street will be permitted access from Fulliam Avenue.

Northbound Iowa Avenue traffic will be detoured at 8th Street to either Roscoe Avenue to the west or Mulberry Avenue to the east.

Underground work and pavement restoration is tentatively scheduled to be completed in early August, weather permitting.
