help manage their children's health. Everything from well-baby visits to unexpected sports injuries and everything in between are topics of discussion during this event.

From well-baby visits to unexpected sports injuries and everything in between, UnityPoint Clinic® Family Medicine and Pediatric providers are specially trained to care for babies, children and adolescents, helping families navigate the little and not-so-little bumps of childhood.

Knowing when to see a provider and what to expect during these visits can keep your child thriving. Don't miss an opportunity to connect with Muscatine's child health experts so you can leave feeling educated and empowered.

Parents and/or caregivers will have the opportunity to:

- Meet UnityPoint Clinic Family Medicine and Pediatric providers who are welcoming new patients;
- Receive information on regular physicals, recommended immunizations, and other healthcare topics to keep children in tip-top shape;
- Have their questions on healthcare answered by Muscatine health experts;
- Receive a handy guide with health tips for children;
- Connect with other parents, share stories, and build a community support network; and,
- Enjoy a variety of family-friendly activities.
