Public comments sought on Houser Street Lift Station, lease of airport property

MUSCATINE, Iowa – The Muscatine City Council will conduct two public hearings Thursday (Nov. 21) seeking public comment on the Houser Street Lift Station Improvement Project and a lease of a portion of the Muscatine Municipal Airport property for a solar generating facility.

The public is welcomed, and encouraged, to attend when the Council meets at 6 p.m. Thursday in the City Council Chambers on the second flood of Muscatine City Hall. The meeting is open to all individuals regardless of language spoken or disability.
