## YOUTH CAN SEARCH FOR CANDY CANES IN RIVERSIDE PARK

There will be an area for pre-kindergarten through first grade boys and girls and a second area designated for second through fourth grade girls and boys. The youthful hunters will be able to keep the sweet treats they find and receive a prize for each Candy Cane found. These hunters should also be on the lookout for some specially marked candy canes that can be redeemed for special toys inside Pearl City Station.

The Candy Cane Hunt will be held in the dark, so please bring a flashlight. A limited supply of flashlights will be available so please bring your own.

## HOLIDAY SPECTACULAR ON THE RIVERFRONT

Not least among the holiday events in Muscatine is, hopefully, the Friday, Dec. 6, premiere of a featured light and music presentation that has quickly became a holiday classic and a must see for Muscatine residents and visitors.

and the City of Muscatine to bring a musical light show to life featuring Muscatine's Norbert F. Beckey Bridge.

The final touches are currently being made to the design of this year's program while work is ongoing to replace the bridge lights that were removed last month for the bridge washing project. Crews were hopeful to have the lights back up before Dec. 6 but weather conditions may delay the relighting of the bridge. Stay tuned for more details.

The 2024 version will premiere, if possible, at 7 p.m. on Friday, December 6, with residents able to tune in to 87.9 FM while parked in Riverside Park to listen to the special holiday music and watch the spectacular light show all from the warmth and convenience of their vehicles.

The program will run every day from 5:00 p.m. to 12 a.m. through January 3, 2025.
