SECOND ANNUAL CHRISTMAS TOUR OF HOMES SUNDAY

An enchanting holiday tradition to support affordable housing efforts in our community

MUSCATINE, Iowa — Habitat for Humanity is excited to announce the Second Annual Christmas Tour of Homes, a heartwarming event showcasing beautifully decorated homes throughout the Muscatine area. The tour will take place from 2-4 p.m. on Sunday (Dec.8) and promises to be an unforgettable holiday experience for guests of all ages.

This year's Christmas Tour of Homes will feature a curated selection of stunning residences adorned in festive décor, with each home offering a unique holiday atmosphere. From traditional Christmas classics to modern holiday designs, the tour will celebrate the spirit of the season while raising funds for Habitat for Humanity's mission to build affordable homes for families in need.

"We are thrilled to bring back the Christmas Tour of Homes for its second year," Don Lampe, President of the Habitat Board, said. "This event not only gives people a chance to experience

the joy and beauty of the holiday season, but it also directly supports Habitat for Humanity's efforts to provide safe, affordable housing to families in our community. It's a wonderful way to give back during the holidays."

The event will begin at any house of your choice where participants can turn in tickets and receive a hand stamp, then continue through a selection of participating homes. Attendees will enjoy the charm and beauty of local homes, while also learning about Habitat for Humanity's impactful work in the community.

Proceeds from the Christmas Tour of Homes will benefit Habitat for Humanity's local building projects, which provide low-income families with the opportunity to own their own homes. These efforts are made possible through the generosity of local volunteers, donors, and community members.

Tickets are \$20 per person and can be purchased online at muscatinehabitat.org or they can be purchased in person at Real Estate Resource Associates, 100 West 2nd Street, Muscatine, Iowa.
