**FOR IMMEDIATE RELEASE
MARCH 7, 2025**

TRAFFIC LIGHT IN FLASHING RED AT 1ST AND CLAY

MUSCATINE. Iowa – The traffic signal at the intersection of 1st Avenue and Clay Streets is currently in “Flashing Red” mode as emergency repairs to the controller are being implemented by Muscatine Power & Water. A flashing red light at an intersection means you must come to a complete stop, treating it exactly like a stop sign; you should check for traffic in all directions before proceeding when it is safe to do so.

The traffic lights will be returned to their normal configuration once the emergency repairs have been completed. Please remain vigilant to pedestrian and vehicle traffic at this intersection.
