Opening day for course play could be sometime next week, weather depending

MUSCATINE, Iowa – Dust off your clubs and get ready — the 2025 golf season kicks off this Sunday, March 9, at the Muscatine Municipal Golf Course. The driving range will open at 11 a.m., though the grass tee will be closed. Golfers looking to practice can use the mats instead.

Driving range tokens are available for purchase at the Pro Shop, and any unused tokens from previous seasons may still be used.

Head Golf Professional Brian Kuddes shared that while the course is expected to open next week, an exact date has not yet been set.

"It all depends on the weather and course conditions," Kuddes said. "We will announce an official opening date once we are sure the course is ready for play."
