"The Aging Adult Resource Fair is a fantastic opportunity for residents to learn about and interact with the valuable resources our community has to offer the active aging adult," Megan Francis, Chief Experience Officer of Senior Resources, said. "We hope everyone will come check us out, meet the vendors, and bring a friend."

The Aging Adult Resource Fair brings together a wide range of services and resources designed specifically for the aging population in Muscatine County. Over 25 vendors will fill the Muscatine Senior Center with valuable information and connections to support the well-being and enhance the quality of life of our active aging adult population. Follow the Senior Resources and Muscatine Senior Center Facebook pages for vendor announcements.

In addition to visiting vendor booths, attendees can enjoy light refreshments provided by HyVee
