**FOR IMMEDIATE RELEASE**  
**JUNE 14, 2025**

## **West Fulliam Remains Closed – Do Not Move Barricades**

**MUSCATINE, Iowa** – West Fulliam Avenue remains closed to all traffic between Iowa Avenue and Nelson Drive as ongoing work continues on the street reconstruction project.

Please do not move barricades or attempt to drive through the closed area. The concrete has not fully cured, and driving on it could cause significant damage, delaying the reopening of the road.

Individuals who move barricades or enter the construction zone may face substantial fines.

We urge all motorists to respect the closure and use alternate routes. Your cooperation is essential to ensuring the safety of the construction crew and the timely completion of the project.
