**FOR IMMEDIATE RELEASE  
NOVEMBER 4, 2025**

## **EMERGENCY WATER MAIN REPAIR TO CLOSE WESTBOUND LANE ON EAST 2ND STREET THURSDAY**

**MUSCATINE, Iowa** – Muscatine Power and Water (MPW) will conduct an emergency water main repair on Thursday, November 6, requiring the closure of the westbound lane of East 2nd Street from the Mulberry Roundabout to the Walnut Street intersection.

In addition, no parking will be allowed on either side of the 300 block of East 2nd Street starting at 6 a.m. Thursday and will continue for the duration of the repair.

MPW anticipates the lane closure will last one day, with the work area temporarily filled with rock to allow traffic to resume. A second lane closure will occur at a later date when the temporary rock surface is replaced with concrete.

Motorists are encouraged to use alternate routes and follow all posted traffic control signs to ensure the safety of workers, pedestrians, and other drivers.
