Subject: Purchase Truck

In the FY15/16 budget, \$35,000 was approved to purchase a four-wheel drive truck with a snow removal plow for Park Maintenance. This truck will be used for snow removal during the winter, trailering equipment, helping to load and unload trash cans and general maintenance throughout the year. Bids were sent out to several companies. The following are the bid results:

| <u>Company</u> | <u>Total</u> |
|----------------------|--------------|
| McGrath | \$33,190.75 |
| Deery Brothers | \$33,699 |
| Green Buick/GMC | \$38,234.10 |
| Kriegers (Chevrolet) | \$34,374 |
| Kriegers (Ford) | \$32,143 |

After reviewing the bids, I recommend that we purchase the Ford F250 from Kriegers Ford for \$32,143. This truck met all specifications, comes with an 8' v-plow, has a tommy lift gate for lifting heavy items, and was the lowest bid.
