**INTRODUCTION:**

I am requesting the purchase of (2) Solid State “Inner Edge Light Bar” system for two police vehicles. KELTEK Inc. is the state bid for such items.

**BACKGROUND:**

These two (2) “Inner Edge Light Bar” will be replacement for two older units we currently have in service. The lighting system will be placed into new squads which will be built in the spring 2017. The two (2) unit were budgeted and approved for FY 16/17. The actual cost of the two (2) units will total \$5,381.14

Fleet Safety Supply’s price was \$5,943.48 and Strobes N More’s price was \$5,567.96

**RECOMMENDATION / RATIONALE:**

It is the police department recommendation the City Council approve the purchase of the two (2) new Inner Edge Light Bar units in the amount of \$5,381.14 from Keltek Inc. to be installed into two new squad cars arriving in the spring of 2017.
