Fran: We need to add this to this week's agenda. A closing of Oak St. on the 9th. Just an FYI, there will be a lane closure on the 8th and I'll coordinate that with the PD, Fire and DPW. They did obtain an excavation permit. Dave

All,

We would like to close Oak St at the location indicated on the attached print.
For excavation on 5-8-17, and road closure drilling on 5-9-17.

Please contact

Matt Close
