MEMORANDUM

Equipment Maintenance
Roadway Maintenance
Collection & Drainage
Building & Grounds
Engineering

To: Mayor and City Council Members
CC: Gregg Mandsager, City Administrator
FROM: Brian Stineman, Public Works Director
DATE: December 28, 2017
RE: Request to Cancel Purchase Order and Issue to Next Low-Bidder

INTRODUCTION:

At the June 1, 2017 Council Meeting the City Council approved a purchase order to Knapheide Truck Equipment for \$18,862.00 for the purchase of a ten-foot stainless steel salt spreader. At that time delivery of the spreader was scheduled for August of 2017.

BACKGROUND:

At the time of this writing we still have not received the salt spreader from Knapheide Truck Equipment. Staff traveled to Quincy, Illinois on December 27th to take delivery only to find that the spreader did not meet bid specifications. As a result of this lack of timely response and supply of the salt spreader, the Public Works Department would like to cancel the purchase order to Knapheide Truck Equipment and issue a new purchase order to Henderson Truck Equipment in the amount of \$18,842.00 for the purchase of a ten-foot salt spreader to be delivered as soon as possible. Henderson was the second low-bidder on this equipment and is a reputable dealer that we have purchased spreaders and other equipment from in the past.

RECOMMENDATION/RATIONALE:

The Public Works Department requests to cancel the existing purchase order to Knapheide Truck Equipment in the amount of \$18,862.00 and issue a purchase order in the amount of \$18,842.00 to Henderson Truck Equipment for the ten-foot stainless steel salt spreader. The budgeted amount for this equipment was \$22,000.00.

BACKUP INFORMATION:

Bid Tabulation

There will be a reduction of \$2,278.00 for a Spin-a-Veyor Valve and the 5100 EX controller which has already been installed on this vehicle.
