Discussion was held with Community Services Director Kathie Anderson-Noel regarding a request from the Food Pantry to store food in the Community Services Building break room. Anderson-Noel stated the United States Postal Service holds an annual food drive to benefit the local Food Pantry resulting in a couple of pallets of non-perishable food overflowing into the break room for about a week. Sorensen stated he was concerned about using the break room as a storage room suggesting the Food Pantry get a pod or try to get the post office to hold onto the food for another week until the Food Pantry is ready for it. Anderson-Noel stated this is a short term solution that they've done annually for several years and it has never been a problem. In response to a question from Sorensen about the Food Pantry's search for a new location, Anderson-Noel stated the Food Pantry has been talking to MCSA about moving the Food Pantry to MCSA. Anderson-Noel stated they have looked at other locations for the Food Pantry with no success. Mather stated he is alright with this as long as its short term and the Food Pantry understands this is the last time they will be allowed to do this. Bonebrake agrees with Mather since its non-perishable food only.
