TO: Mayor and City Council Members
Gregg Mandsager, City Administrator

FROM: Dave Gobin, Community Development Director

DATE: June 21, 2018

SUBJECT: Special Assessments

INTRODUCTION:

The Community Development Department would like to be placed on the City Council agenda on June 21, 2018, to present a request to assess unpaid nuisance abatement costs totaling \$6,883.21 to private properties.

BACKGROUND:

The City's contractor has provided nuisance abatement services at the properties listed on the attachment. Dates of service are from January 2018 to April 2018. The City was billed for these services and has subsequently paid the contractor. Assessing the outstanding bills to the property taxes will help the City recoup its costs. Most of these properties are vacant and are routinely maintained by the City Contractor against nuisance violations for weeds and snow removal where applicable. Some of the properties are occupied, in which case the owner was billed for the services provided. In addition, unpaid rental registration fees for which the owner was billed, are included. A \$50.00 assessment fee has been added to each property to cover processing costs.

RECOMMENDATION/RATIONALE:

It is requested that Council approve the resolution to assess the unpaid nuisance abatement and rental registration costs to their respective properties.
