FROM: Gary Ronzheimer, Battalion Chief

DATE: July 13, 2018

SUBJECT: City Council Agenda Item – Issue PO for New ¾ Ton Truck

INTRODUCTION:

Request to purchase a new ¾ ton truck from Krieger's. As part of the FY 18/19 budget, the City Council approved \$ 39,000 for a new ¾ Ton Truck to replace the 2000 Chevy utility truck.

BACKGROUND:

The Muscatine Fire Department has utilized the current truck for 18 years and is in poor shape, with rust in the body and frame. The new vehicle will be capable of towing various large department and county trailers and will be set up to plow snow at both stations. Bids were solicited using the State of Iowa vehicle bid program. We received one bid from Krieger's that met spec in the amount of \$ 27,732.00. We have \$ 39,000 budgeted for this truck and accessories. We will still need to purchase accessories, such as emergency lighting equipment, decals, and plow, but will be under the total budgeted amount of \$ 39,000 allocated for this purchase.

RECOMMENDATION/RATIONALE:

Request authorization to issue purchase order to Krieger's for one 2019 Chevy Silverado 2500 in the amount of \$ 27,732.00. The budgeted amount for this purchase is \$ 39,000.00.
