MEMORANDUM

Equipment Maintenance
Roadway Maintenance
Collection & Drainage
Building & Grounds
Engineering

To: Gregg Mandsager, City Administrator
CC: Fran Donelson, Secretary
FROM: Randy Hill, Public Works Director
DATE: January 30, 2012
RE: Surplus Vehicles & Equipment

INTRODUCTION:

A list of vehicles and equipment is submitted for council action to declare as surplus property.

BACKGROUND:

Prior to 2009 the City of Muscatine held public auctions every other year to dispose of surplus equipment. We started using Public Surplus in June 2009 and have held five (5) auctions since that date netting the city \$56,569.06 compared to approximately \$15,000 from the auctions

RECOMMENDATION/RATIONALE:

The Public Surplus option has proven to be very successful. The City's Public Works staff recommends declaring the equipment and vehicles as sent to the City Administrator surplus property for disposal. This list includes property the City Council, Administrator and Department Heads have determined to be replaced or removed from our inventory.

BACKUP INFORMATION:

1. Gale Fry Memo with list of items
