

Rating Action: Moody's assigns Aa2 to Muscatine, IA's GOULT bonds

24 Mar 2020

New York, March 24, 2020 -- Moody's Investors Service has assigned a Aa2 to the City of Muscatine, IA's \$6.3 million General Obligation Corporate Purpose Bonds, Series 2020. Moody's maintains a Aa2 rating on the city's previously issued general obligation unlimited tax (GOULT) debt. Following the sale, the city will have \$18 million of GOULT debt outstanding.

RATINGS RATIONALE

The Aa2 rating reflects the city's sound financial operations. Operating fund balance and liquidity are healthy. The city is located in eastern Iowa (Aaa stable) and has comparatively low resident incomes and some economic concentration in manufacturing. The tax base is growing, however. Debt burden is moderate while pension burden is slightly elevated given the city's participation in two state-managed pension plans.

We regard the coronavirus outbreak as a social risk under our ESG framework, given the substantial implications for public health and safety. Muscatine is not susceptible to immediate material credit risks related to coronavirus. The longer term impact will depend on both the severity and duration of the crisis. The situation surrounding coronavirus is rapidly evolving. If our view of the credit quality of Muscatine changes, we will update the rating and/or outlook at that time.

RATING OUTLOOK

Moody's does not typically assign outlooks to local governments with this amount of debt.

FACTORS THAT COULD LEAD TO AN UPGRADE

- Significant economic activity that drives both expansion and diversification of the city's tax base and improvement in resident incomes
- Reduction in pension burden

FACTORS THAT COULD LEAD TO A DOWNGRADE

- Weakening of the local economy evidenced by declining of property values, increased unemployment, or a decline in the city's socioeconomic profile
- Narrowing of operating reserves or liquidity
- Growth in debt or pension burdens

LEGAL SECURITY

The city's GOULT debt, including the Series 2020 bonds, is supported by its pledge to levy unlimited ad valorem property taxes.

USE OF PROCEEDS

The proceeds of the Series 2020 bonds will finance various capital improvements within the city's five year capital plan.

PROFILE

The City of Muscatine is located along the Mississippi River, approximately 30 miles southwest of the Quad cities metropolitan area. The city serves a resident population of nearly 24,000 and is the county seat of Muscatine County, IA (Aa2).. The city provides public safety (police and fire), public works, cultural and recreation, and other governmental services. The city's major business-type activities include sewer (collection and treatment), sanitation and an airport. Muscatine Power and Water, a component unit of the city, provides residents with electric, water (treatment and distribution) and communication services.
