CHC iConnect 

Telehealth - How it Works

- Any type of CHC doctor's visit can start with a video telehealth appointment.
- Simply **call CHC at (563) 336-3000** to schedule your appointment. Patients will receive a link through text or email for their video or phone visit.
- During your telehealth visit, the provider will determine if you need to schedule an in-person curbside visit and/or COVID-19 testing.

Insurance & Payment

- We accept Private Insurance, Iowa & Illinois Medicaid, Medicare and Non-insured patients
- Our CHC Sliding Fee Program offers reduced fees to qualifying patients
- *Sliding Fee Program is available for CHC iConnect telehealth appointments*

CHC Curbside Care

Call: (563) 336-3000

Curbside Drive-up Care

Curbside Care is not limited to or guarantee COVID-19 testing. Most primary care appointment types can be conducted at our curbside sites.

Curbside appointments should follow an initial iConnect telehealth appointment.

Call CHC @ (563) 336-3000 to schedule your curbside appointment. Patients will be directed to a specific curbside drive-up location.
