

Muscatine Police Department Press Release
Train / Pedestrian Fatality
01/14/2021
Assistant Chief Snider

Today, 01/14/2021, at approximately 12:31pm The Muscatine Police Department received the report of an individual under a train along the riverfront area of downtown Muscatine. Upon officer's arrival, a deceased male was found under the stopped train near the E Mississippi Dr. and Sycamore St. intersection. The male has been identified as 40 year old Robert Wayne Miller. The initial investigation would indicate that Miller was a pedestrian who intentionally entered the tracks as the train was approaching. Access to the riverfront was blocked for a couple of hours while the investigation took place.
