MEMORANDUM

March 25, 2021

TO: Richard Klimes, Director of Parks and Recreation
FROM: Brett Parcher, Golf Course Supervisor
SUBJECT: Fairway Mower Purchase for the Golf Course

Goals and Objectives:

Our goal is to acquire the equipment at the Golf Course that is needed to fulfill our duties to the best of our abilities. Subsequently, getting the best piece of equipment that meets or exceeds all of our specifications for the least amount of money. This will allow us to provide quality facilities for the public to enjoy.

Quotes were received from the following vendors. The results are as follow:

<u>Company Name</u>	<u>Model</u>	<u>Quote Price</u>
Van Wall Equipment	2018 John Deere 7500A Fairway Mower	\$ 32,000
JW Turf	2015 John Deere 7500A Fairway Mower	\$ 33,500
Van Wall Equipment	2021 John Deere 7500A Fairway Mower	\$78,060.29

These prices all reflect the final cost to us after a trade-in of a 2008 Toro5410 Reelmaster

The Golf Course has \$32,500 budgeted and approved for this purchase in the FY 20-21 budget.

Therefore it is my recommendation that we purchase the 2018 John Deere 7500A from the John Deere Company through our representing dealer who is Van Wall Equipment Company located in Rock Island, Illinois for \$32,000 after trade in.
