SUBJECT DOT

Request to Approve the issuance of a Purchase Order for \$8,274.46 to Chamberlin Heating and Air Conditioning for the Muscatine Soccer Complex Maintenance Building Air Conditioning Unit

EXECUTIVE SUMMARY

The Parks and Recreation Department requests to issue a purchase order for a replacement air conditioning unit for the Soccer Maintenance Building. Quotes were received and the low quote for a York Air Handler unit was from Chamberlin Heating and Air Conditioning in the amount of \$8,274.46. Additional quotes were received from Brewer Heating and Cooling in the amount of \$10,675.00 and Crawford Company in the amount of \$13,488.14.

STAFF RECOMMENDATION

At this time, City staff would recommend the approval of a purchase order to Chamberlin Heating and Air Conditioning in the amount of \$8,274.46.

BACKGROUND/DISCUSSION

The air conditioning unit in the Soccer Maintenance Building was no longer in working order during the summer of 2020. Because the unit was original to the building, necessary parts needed to repair the unit were no longer available. A portable unit was used to cool the two offices and restroom located in the maintenance building. The requested air conditioning unit will replace the original unit that failed last summer and staff will explore transitioning the portable unit to one of the non-air conditioned concession stands.

CITY FINANCIAL IMPACT

In the FY 20/21 budget there is \$9,000.00 approved for the purchase of a replacement air conditioning unit.
