EXECUTIVE SUMMARY

Presented for City Council's consideration is the second reading of an ordinance revising portions of Title 6, Chapter 8 of the Code of the City of Muscatine. City Council directed City staff to prepare changes to portions of Title 6, Chapter 8 of Muscatine City Code related to animal regulations. The proposed ordinance includes revisions to definitions and requirements related to animal care, dangerous and vicious dogs, tethering, irresponsible ownership, right to appeal violations of this Code Section, and other minor modifications and revisions.

The proposed ordinance was revised following the first reading to incorporate feedback from City Councilmembers and community members.

STAFF RECOMMENDATION

Staff recommends approval of the ordinance on first reading.

BACKGROUND/DISCUSSION

At its October 14, 2022 In-Depth meeting, City Council directed City staff to prepare changes to portions of Title 6, Chapter 8 of Muscatine City Code related to animal regulations. City staff presented proposed code changes to the City Council at its January 13 In-Depth meeting and the City Council provided feedback on City staff's proposal. City Council and the community provided additional feedback during the first reading of the proposed ordinance at the Feb 3, 2022 regular City Council meeting. Changes following the first reading of the ordinance are highlighted in blue in Exhibit A and include:

1. The definition of adequate shelter was changed to mean a shelter made up of four (4) ~~three (3)~~ solid sides...

2. The Commercial Breeder Definition was changed to mean “animal shelter, boarding kennel, commercial breeder, commercial kennel, dealer, pet shop, pound, public auction, or research facility as defined in Iowa Code §162.2”.
3. The restrictions for tethering with a collar were modified to include “...unless such a collar is a limited-slip or no-slip collar.”
4. The conditions under which a dog may be declared dangerous or vicious were modified to state, “A complaint of a person in writing of person willing to testify;”
5. The signage requirements for keeping a dangerous dog were modified to state “All owners, keepers or harborers of dangerous dogs shall display in a prominent place on their premises a sign easily readable from the public right of way by the public using the words “Beware of Dog.””

CITY FINANCIAL IMPACT

It is possible that additional resources are needed to effectively enforce the proposed code changes. City staff will seek to offset those costs to some degree through appropriate fees and penalties associated with animal control. Staff will assess needs for any additional resources following the implementation period of the new code language.
