On behalf of Muscatine Center for Social Action (MCSA), I am requesting the renewal of the agreement between the City of Muscatine and MCSA for the 2026-2027 fiscal year.

The \$30,000 in funding provided by the City is essential for supporting our Housing Navigation services, which assist Muscatine Municipal Housing Agency (MMHA) clients in securing and maintaining safe, stable housing. These services play a critical role in promoting housing stability and improving outcomes for families in our community.

**Program Impact:**

In the last year, MCSA's programs helped over 500 households (667 Adults and 473 Children) successfully obtain housing and provided ongoing support to maintain stability. Through case management and coordination with community partners, we reduced instances of homelessness and improved access to essential resources for families in need.

Thank you for your continued partnership and support. Please let me know if you need any additional information or documentation to proceed with the renewal.

Sincerely,

Jason Dornbush  
Program Director
